

VALLEY BROADCAST LEGENDS

July 2021 Update

We're In-Person in August!

CLUB PHEASANT

Your VBL board is thrilled to announce we'll be back at the Club Pheasant for our August 12 meeting! And what a meeting it's going to be. Twenty years ago, the summer of 2001, saw the very first gathering of a small band of local radio and television professionals calling themselves Valley Broadcast Legends. So, the August 12 meeting will be a celebration of our 20th birthday—with cake!—as well as a tribute for all of us who survived the pandemic with our bodies and minds more-or-less intact.

Your old favorites will be back on the menu: steak sandwich, shrimp Louie salad, and pasta, meat and vegetarian. As you may have already guessed, there will be a price increase. \$25 covers it all—entrée, beverage, tax and tip. We all know how brutal this past year has been on the restaurant industry and we are very lucky the Club Pheasant survived the shutdown and is ready to welcome back large groups in their banquet room. Can't wait to see you there!
